

Position: Outpatient Therapist

Description: Family & Children Services is opening an office in Portage, MI to serve children and adults of diverse, racial, ethnic and cultural backgrounds. We offer a congenial, collaborative atmosphere in a professional, yet welcoming setting. We also offer comfortable office space, a play therapy room, a fully integrated EMR, scheduling, advertising, case consultation, billing and credentialing. The successful candidate should have experience in clinical assessments, developing and implementing treatment plans and producing outstanding client outcomes. The candidate should have considerable knowledge in clinical and theoretical knowledge of person centered, solution-focused, Cognitive Behavioral and systems theories of treatment. Strong ability to join, communicate and interact respectfully with service recipients and families from a variety of socio-economic and cultural backgrounds (cultural competence).

Requirements: Minimum MSW/MA in a mental health related field from an accredited university: training in individual, relationship and family counseling and at least two years of experience preferred. LMSW preferred/LLP or LPC required. LLMSW, TLLP or LLPC considered based on ability to bill. Must be able to be paneled and reimbursed from commercial insurances. Must have knowledge of DSM V diagnostic criteria. Maintains case files through an EMR system that are in compliance with the Agency's policies and procedures. Must be able to build connections with the community and key referral sources to build and maintain caseload.

Salary: Generous fee split based on high commercial base

Benefits: FT – PTO, 401k, health insurance

Location: Portage, MI

Type: Full and part-time positions available. It is expected that all staff will work some evenings.
